Thomson House School

THE ETHOS OF THE SCHOOL

Balancing tradition and innovation, Thomson House aims to cultivate the habits of excellence and wellbeing, so that its pupils may flourish, achieve academic success and lead fulfilling lives. To achieve this, Thomson House School anchors its curriculum on fostering three fundamental qualities: curiosity, kindness and courage.

Curiosity

Thomson House aims to kindle the spark of intellectual curiosity in its pupils. Our teachers are passionate about learning and they are first-class professionals. They will foster inquisitiveness and empower our pupils with the skills to explore the world around them. With rigorous foundations in English, Maths and Science, our pupils will be disciplined and creative thinkers and confident communicators. Thomson House pupils aim to excel in all areas of school life.

Kindness

Thomson House School passionately believes that its pupils' wellbeing is inextricably linked to that of their communities. Therefore, it aims to promote an ethos of kindness and community service throughout the school: Thomson House is dedicated to a green agenda - including a walk to school programme, promotion of healthy eating, recycling and sustainability and using bikes and scooters. Through charitable fund-raising we support those less fortunate than ourselves. The character-building curriculum encourages children to support their community in school and out of school.

Courage

Thomson House believes that courage is a fundamental quality in empowering pupils to flourish. Our pupils are confident and resilient, with an utter belief in the power of effort. They have the courage to seize opportunities, to fail and pick themselves up. To foster this, we will build a culture of high expectations, offer three hours a week for Physical Education, offer an extensive enrichment programme, offer first-class wellbeing provision and offer a strong emphasis on public performance to build self-esteem.

ARRIVING AND LEAVING

In line with Thomson House School's aim to be a green school, parents walk, cycle, scoot or use public transport to get their children to and from school each day.

Internal school gates will **open at 8.20am**. The children will be greeted at the gate to the playground by the Head Teacher/a member of SLT (Senior Leadership Team). Parents are asked to leave their child at the gate, for the child to enter the playground independently. Please be punctual because if your child comes in late he or she may feel flustered and may miss important information about the day's activities. We are keen to instil values such as punctuality and good manners from day one. Children will come in through the gate and go straight to their classroom.

All school gates will be closed at 8.30am.

If late, please bring your child to the office in the Court House where they will be registered and taken to their classroom. **Their late arrival will be noted on the child's attendance record.**

At the end of the day, gates will **open at 3.30pm**. Parents are invited to wait in the playground to collect their children. The children will be brought to the playground by the teacher and will be handed over to the parent once contact between adults has been made. We ask children to shake hands with their teachers, make eye contact and say goodbye. Again, please be punctual as children can become anxious when parents arrive late.

Reception will finish school at 3.30pm

Year 1 finish at 3.35pm

Year 2 finish at 3.40pm

Year 3 finish at 3.45pm

If children are to be collected by a different adult than their normal arrangement, please let the school office or a member of the teaching team know in advance and avoid making changes during the day if possible. If this is unavoidable, please call or email the school office in good time.

UNCOLLECTED CHILDREN

If for any reason children remain uncollected after the end of the school day, they will be taken to the school office. Office staff will attempt to contact parents, followed by the emergency contact numbers held for that child. If office staff cannot establish contact with parents/emergency contacts, they will hold the child until 6.00pm, at which point they will call alternative provision, usually social services. If we make contact with you but you are unable to get to school or arrange for your child to be collected, we may look to release them to our Wraparound care provider who provide our extended care provision onsite. You will be charged a fee for this by them.

WALKING TO SCHOOL POLICY

Parents and children are expected to walk, cycle, or take public transport to and from school. The school has no car parking facilities and for the sake of our neighbours we actively discourage parents from parking in nearby roads. We expect you to sign and abide by our pledge to walk to school which all parents receive. By signing it you will be indicating your support to our commitment to sustainable travel. Children in YR to Y5 are expected to be accompanied by an adult on the way to and from school, door to door.

PREPARING YOUR CHILD FOR SCHOOL

The start of school is an exciting but also quite daunting time. Preparation will help your child feel safe, secure and ready to take on new challenges. Here are a few tips to prepare your child for school:

- Be open with them about the change, show them the school website and encourage them to ask questions;
- Be positive about the changes but listen to their concerns and tell them that all the adults will help them if they are unsure or worried;
- Get them used to dressing and undressing themselves including doing up buttons, zips on coats and shoes. Make sure they can put their coat on by themselves and do their shoes up by themselves.
- Make sure they can go to the toilet independently, know to flush the chain and understand the importance of hygiene and hand washing;

- Your child won't be expected to be able to read but you should read to them as much as possible to help ignite their love of books;
- Encourage your child to play with other children and help them to understand how to share;
- Play games with your children as this will help them to take turns, follow rules and learn how to win and lose;
- Encourage an early bedtime and get your child used to this before starting school;
- Teach them good table manners and encourage them to use a knife and fork;
- Encourage them to tidy up, developing their independence.

Don't worry if they can't do all of the above as these are skills that will develop at different times for every child. What is important is to help your child to feel like this is a positive time and that they will feel more 'grown-up' as they begin primary school. The first few weeks of school are a time to settle in and learn new routines. Parents will be kept fully informed of how their child is progressing, but we will find it useful to receive feedback from home, so that if there are any concerns they may be quickly resolved.

ATTENDANCE

It is essential for your child to be in school promptly every day. If your child is unwell please let us know as early as possible that day by calling/emailing (admin@thomsonhouseschool.org) the School Office or by using the 'reporting absence' icon on the THS app. If we have not heard from you by 9am we will call you to verify the absence. This is in the interests of the safeguarding of all children.

Please note a child should not return to school for 48 hours after the last episode of sickness and/or diarrhoea to limit the spread of any infection.

Every child's attendance is monitored and the schools attendance target is 97%. If your child falls below this figure we will be in contact to discuss the reasons why. Monitoring attendance is a legal requirement for schools.

If your child becomes unwell during the school day, we will call you to collect them and take them home. We cannot look after sick children at school so please ensure we have a contactable person on our records for this eventuality (medical and emergency forms must be completed for each child).

There is zero tolerance at Thomson House for any other reason for absence. Holidays should not be taken during school term time. Requests for holidays during term time will not be authorised unless there are exceptional circumstances. Please see our Attendance Policy on the THS website for further details.

Should a pupil need to leave school before the end of the day to attend an appointment etc. the parents or carers must notify the school in writing – this can be via email or hard copy. The school will respond with confirmation. As far as possible, appointments should be taken outside of school hours, as it is disruptive for children to leave before finishing time.

SAFEGUARDING

At Thomson House School we take the safety of our children extremely seriously. All staff are trained in safeguarding procedures annually and the children have regular lessons, as part of the well-being programme, on how to keep themselves safe both in and out of school. The Designated Safeguarding Leader is Vicky Amor and the Deputy Safeguarding Leader is Jackie Sanders.

In the event of serious safeguarding concerns, the school has the right to contact, with or without parents' consent, SPA (Single Point of Access) at the London Borough of Richmond. SPA may involve other agencies in these discussions. The school will keep parents informed, where appropriate, however please remember that the school will follow guidance given by SPA and the other agencies. Please see the school's Child Protection Policy on our website. As part of the curriculum, the children are all taught road safety rules; safety around the level crossing and Mortlake station; internet safety; which adults to trust; anti-bullying.

We expect that ALL parents and children will follow the school's safety messages.

THS CURRICULUM

Thomson House School prides itself on having a broad and rounded curriculum. Parents can find details of each year group's curriculum on the school website. In addition, at the start of each school year the class teachers host a curriculum evening which explains the learning journey of the year ahead.

THS CURRICULUM ENRICHMENT FUND

The schools has an Enrichment Fund into which parents can donate a regular sum of money which allows the school to provide enriched learning opportunities for the children. The fund is spent on workshops, visitors and theme weeks above and beyond the basic curriculum offer. The termly theme weeks are when the whole school is off-curriculum and a variety of engaging and exciting experiences are used to motivate and inspire children's curiosity around their learning.

In addition we have other events such as the annual pantomime, theatre groups, West End Musical workshops, farms in school, ducklings hatching, authors, scientists, artists, musicians, sportsmen and women – all impact the children's excitement about learning and provide eye opening opportunities for our pupils! **We ask that parents donate on a regular basis, if they are financially able to do so.**

PARENTPAY

The school uses a payment system which avoids cash being held in the office. ParentPay allows parents to pay for lunches, school trips, swimming and extra-curricular clubs. You will be provided with a log in for these purposes when you join THS.

THS EXTRA-CURRICULAR CLUBS

A further way in which we enrich the curriculum is through our offer of extra-curricular clubs. Children love to take part in a variety of different clubs during their time at Thomson House. Each child is encouraged to do two weekly clubs each term. A club's list will be put out on the THS App for you to help your child to choose. We ask you to book promptly to avoid disappointment as clubs have limited spaces.

We can help with financial assistance for clubs, if parents are recipients of Free School Meal funding and / or Pupil Premium Funding.

TRIPS AND VISITS

Pupils take part in several educational trips, off-site learning and visits each year. Parents are given information regarding these events well in advance. For most trips there is a small charge which is a voluntary contribution, however, if parents do not pay, the trip may be at risk of being cancelled. Financial assistance is available for some parents – please contact the office for further details.

You will be asked to sign a consent form for local trips when you join THS, which you should complete and return. You will then be asked to give consent to each trip on ParentPay as and when they happen. You will need to notify the Class Teacher or the School office if you do not want your child to attend a trip. A full and detailed risk assessment is carried out for all trips prior to any visit. The school's policy regarding Off-Site Learning is available on the website.

WRAPAROUND CARE

Our wraparound care is provided through Platform Sports Coaching. They provide care from 7.30am – 8.20am and again from 3.30pm - 6.15pm.

You can book a place for your child on the PSC website (www.platformsportscoaching.com). The cost is on the website. In the mornings, children can be provided with breakfast. In the evenings, children are provided with a snack and will have access to art & crafts activities, games and outdoor activities.

THS WEBSITE / THS APP

Certain information is available on the website. However, please remember that as the website is in the public domain, the information is generic. All the information you require is stored on the THS App. It is very important that you register before using the app.

The THS App is used by the school as the main source of communication between school and parents – for push notifications, emails, photos of school trips, requests from teachers, information about the week/term ahead. It is vital the parents regularly use the app and make it their first port of call for information finding.

You can download the THS App from the AppStore or from GooglePlay. Your log in details will be sent to you over the summer.

Photographs / Video Recordings/Social Media

Images of the school, pupils and staff may not be circulated or posted in the public domain (e.g. by email, on social networking sites e.g. Facebook, on You Tube etcetera) by parents.

The school has its own Facebook page on which photos and videos are posted by staff. Please ensure there is no tagging of children's names on social media.

Pupils are made aware of their responsibilities in this regard through the e-safety curriculum.

From time to time the school will use un-named photos of pupils for *bona fide* promotional purposes e.g. newsletters, prospectus, etc. Likewise, photos, video clips, children's work will be published on our school website. You will find in your pack a form which will allow you to notify the school of your wishes with regards to the use of photos/video clips or for your child's name to appear on our website.

ASSEMBLIES

Monday	Site based assembly, wellbeing themes, 8.40-9.00am
Tuesday	Phase assembly at chosen point in school day
Wednesday	Site based singing assembly, 8.40-9.00am
Thursday	Class based assembly at chosen point in the school day

BEHAVIOUR

At Thomson House we expect everybody in our community to treat one another with respect and courtesy at all times. You will find a copy of our Behaviour Management Policy on our website which outlines the systems in place for promoting good behaviour, anti-bullying and exclusions.

If you have concerns about another child behaving inappropriately with your child please inform your child's class teacher and allow the school to deal with it rather than dealing with it yourself.

The behaviour of adults is as important to us as the behaviour of the children. We expect adults in school to behave with respect and politeness. This includes parents – Thomson House School expects parents to be respectful and polite to staff and children. If any

parent behaves in a threatening manner (verbal or physical) to a member of staff or a pupil, they will be at risk of not being allowed on school premises.

COMMUNICATION BETWEEN HOME AND SCHOOL

Thomson House prides itself on its open-door policy and encourages strong links between staff and parents. A successful learner is a child who is supported in their learning at home as well as at school. If parents have any concerns about their child at school, they should first speak to the Class Teacher. Informal meetings can usually take place at the end of the school day, but occasionally, due to time constraints and other commitments, it may be necessary to make an appointment.

If parents feel the concern has not been adequately dealt with by the class teacher, then do please ask to see a member of the Senior Leadership Team. The Head Teacher is always available (appointments can be made via the office) should you wish to speak directly, although for matters relating to your child, the Class Teacher should be the first point of contact followed by a member of the Senior Leadership Team.

Your child will receive a reading record book once they start to bring reading books home. This can also be used for short messages to the teacher.

For administrative matters, the School Office is the main contact. The school produces a weekly Bulletin on Fridays containing details of forthcoming events, staff news and any general information regarding the school. It is sent out at the end of the week. It can also be found on the THS app. Most letters and notices are sent home to parents via email. We endeavour to keep paper consumption to a minimum.

Parents are asked to notify the School Office immediately in writing of any change of address, email address or telephone number.

PARENTS' EVENINGS

A Parents' evening for each year group is held twice every school year, once during the Autumn and Spring terms. You will receive dates of Parents' Evenings in the Bulletin. At the end of each term we host an open morning/afternoon where parents are invited in to see the children's books, displays and a range of work from the year.

REPORTS TO PARENTS

Parents will receive one written report at the end of the school year. However, communication between teachers and parents will be ongoing throughout the year, and we encourage informal communication at drop-off and pick-up.

In Reception, parents also receive regular updates of their child's progress through 2BuildAProfile. Older year groups receive Target Tracker reports each term.

THS GOVERNING BOARD

Thomson House School has a Governing Body which is responsible for the strategic development of the school. The Governing Body meets four times throughout the school year. Many Governors link to specific areas of the curriculum (e.g. PE; Literacy; Numeracy; Special Educational Needs; Safeguarding; Early Years) and visit the school regularly for monitoring purposes. The Chair of Governors, Smita Rossetti, is available for parents to contact if they feel the school has not dealt with any issue appropriately. Smita can be contacted via the school office.

PARENT GOVERNORS

The Governing Board of Thomson House School includes two parent governors. The parent Governors are elected by the parent body. They can be contacted via the School Office. Parent Governors hold regular 'surgeries' which are open to any parent who wishes to raise any issues or concerns.

FOTH (Friends of Thomson House)

FOTH (Friends of Thomson House) is a voluntary body aiming to engage in activities that support the local community and raise funding for the school as well as external charities. It does not involve itself in curriculum or class issues which should be dealt with directly by individual parents with Class Teachers, Senior Leadership Team or the Head Teacher.

Further information will be provided at the first FOTH meeting shortly following the start of term. A date will be circulated to parents.

We encourage parents to support FOTH events by joining the committee, organising and attending events. It's a great way to make new friends and find out more about Thomson House School life!

MEDICAL MATTERS

On joining the school, parents are requested to complete a medical form for their child/children. It is essential that parents inform the school, in writing, if any of these details change. If a pupil feels unwell, they should let their Class Teacher know, who will assess the situation and make a decision whether the child is well enough to return to class, requires rest or needs to go home. Parents will be telephoned if their child has to be

collected. No pupil should contact home requesting to be collected: this decision will always be made by a member of staff.

A written record is made of all pupils sent home for illness.

Please see the THS Medical Policy for further details.

SECURITY

For security reasons, the school gates are locked during the school day. At the beginning and end of the school day, staff will monitor the entrance and exit of children and visitors. If you wish to enter the school during the school day, please do so via the main front door of the Court House. Please inform your class teacher or email the school if someone new will be collecting your child from school. If the person is someone new to the staff, please provide them and us with a password which they can then provide when asked for it.

FIRE ALARM PROCEDURES

In the event of a suspected fire emergency, the alarm will sound and pupils will be led quickly and in silence to designated assembly places to gather, where a register will be taken. Fire notices/exit routes are posted up in classrooms.

LOCK DOWN PROCEDURES

In the event of a major incident, the school may be required to follow lock down procedures to ensure the safety of all pupils and staff. If the school is in lock down mode at the start or end of the day, parents will be informed via the THS app, via email and via text.
