

SPORTS PREMIUM FUNDING AT THOMSON HOUSE SCHOOL 2020-21

What is Sports Premium Funding?

Primary schools receive additional funding from the DfE to improve their PE and sports provision. The PE and Sports Premium funding for each school is based on their number of pupils in Years 1 to 6. In most cases, the amount received is determined by the number of eligible pupils at the school based on the January school census.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that the premium should be used to:

- develop or add to the PE and sport activities that the school already offers
- make improvements now that will benefit pupils joining the school in future years

How will Thomson House School use its Sports Premium?

THS is committed to providing 3 hours of curriculum time weekly to PE – this is made up of 2 PE lessons (YR/1), One longer games sessions off site (Y2/3/4/5/6) and a daily run for 15 minutes, plus the addition of a new initiative due to our concerns over children’s health and wellbeing due to Covid19 restrictions, Fit15. Fit15 is a ‘brain break’ for 15 mins during class, where the children participate in a variety of aerobics, stretching and/or dance. This is timetabled to happen on non PE days. We recognise that an active lifestyle has benefits for focus and concentration; mental health; emotional well-being; teamwork; friendships and social skills.

For the academic year **2020-2021**, the PE and Sport Premium allocation to Thomson House School is **£18,000**, which will support the following activities:
