

THOMSON HOUSE SCHOOL

Thomson House School Admissions Policy 2019-20

To be agreed by FGB: February 2018

Review Date: February 2019

**Thomson House School
Admissions Policy 2019-20**

1. Thomson House School (THS) is a state-funded, independent, non-selective, mixed, 4 to 11 primary school with a published admission number (PAN) of 56 in Reception in September 2019 and onwards.
2. Parents are welcome to make an appointment to visit the school at any time after the child's third birthday. Prospective parents will be invited to attend one of the school's Open Mornings when they will be shown around the school by a member of the senior leadership team. Parents will be able to register their interest in a place at the school.
3. In the November prior to a child's fourth birthday, all parents who have registered an interest in THS will be invited to an open morning at school and advised to look at Richmond's (the Local Authority) Admission to Primary School brochure:
https://www.richmond.gov.uk/media/3082/primary_admission.pdf
4. THS is its own admissions authority and therefore is able to set its own oversubscription criteria. These are set out below at point 9. However, the Local Authority is responsible for coordinating the administration of applications to THS, including waiting lists, in-year applications and appeals.
5. The timeline and procedure for applying to THS can be obtained by contacting the Local Authority at:

The School Admissions Team
London Borough of Richmond upon Thames
Education, Children's and Cultural Services Directorate
Guildhall 2, High Street, Kingston upon Thames, KT1 1EU Telephone:
020 8547 5569
Email: richmond.admissions@achievingforchildren.org.uk

6. Parents and carers can also access information by clicking following link:
https://www.richmond.gov.uk/primary_school_admissions
7. THS will provide advice and guidance about admissions. These can be obtained by telephoning or emailing the school.

Telephone: 0203 608 2080
Email: admin@thomsonhouseschool.org

8. The School will admit pupils with an Education, Health & Care Plan who name THS as the school they wish to attend, even if it is oversubscribed. These are allocated through a separate procedure, in accordance with the Special Educational Needs Code of Practice.

Oversubscription Criteria

9. If THS receives fewer applications than places available, all applicants will be admitted. Where the number of applications for admission is greater than the published admission number (PAN), applications will be considered against the following criteria in the order set out below¹:
 - a. Looked After Children, including those that have been previously looked after but ceased to be so because they were adopted or became subject to a residence or special guardianship order;
 - b. Children who have an exceptional medical or social need requiring attendance at THS rather than any other school within a reasonable distance of the child's home address. Such needs must be supported, at the time of application, by reports or letters from appropriate professionals such as doctors or social workers. Circumstances cannot be taken into account unless information and supporting evidence is provided at the time of application and failure to provide such information at that stage may therefore affect whether or not the children are allocated places at THS. All information submitted will be regarded as confidential.
 - c. Children whose parents have been given Founders' status as per Annex B to the Thomson House School Funding Agreement.
 - d. Children who have siblings (by which is meant full, step-, half-, fostered and adopted siblings) living permanently in the same household at the school at the date of admission.

¹ These criteria will apply to all applicants, regardless of the borough in which they live.

- e. Children of staff in either or both of the following circumstances: (a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or (b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- f. Children living closest to THS. The distance from home to school is measured as a straight line from a point in the property determined by address point data supplied by the Ordnance Survey, to the main pedestrian school gate used by the relevant year group.

In-Year Applications from September 2017

With effect from September 2017, parents must submit their In-Year application for Richmond schools via the local authority. The above admissions criteria still apply for places at THS. The In-Year form is available electronically from the Richmond Council website:

[https://www.richmond.gov.uk/services/children and family care/schools and colleges/school admissions/in year admissions](https://www.richmond.gov.uk/services/children_and_family_care/schools_and_colleges/school_admissions/in_year_admissions)

Fair Access Protocol

The Council and all primary schools including academies and free schools in the Richmond borough have agreed a fair access protocol to admit children who are currently without a school place and may have difficulty finding a suitable school place.

The aims of the fair access protocol are to ensure that:

□ a school place is found quickly for children with no school place who meet the criteria for consideration under the fair access protocol; □ the child is admitted to the most suitable school, even if there is no place available and the school must go over their published admission number.

Children who are admitted to schools under this protocol take priority over any children on waiting lists.

Notes

10. Any offer of a place on the grounds of proximity is conditional on the child being resident at the address provided at the closing date for application. A business address, a child-minder's address, or any address other than the child's home will not be accepted. Proof of address will be sought and may be the subject of further investigation.
11. The measurement will be taken from a point in the property determined by address point data supplied by the Ordnance Survey. This will always measure using the centre of the road nearest to this point even if the home address is on the corner of two roads or has more than one entrance or exit. Residents of every floor level in a particular block of flats are given an identical start point, regardless of the distance to ground floor level. The end point is the nearest pedestrian school gate used by the relevant year group.
12. If the case arises of two applicants with equal priority, the decision will be made by random allocation, with independent oversight by Achieving for Children. The random allocation will be carried out by placing the names of the two applicants with equal priority into an A4 envelope. The independent person will pull one name out of the envelope and this applicant will be awarded the place.
13. Late applications will NOT be considered until after all on-time applications have been dealt with.
14. The Local Authority and School reserves the right to seek verification of the information parents have given on the application form.
15. Parents/carers can request that their child attends on a part-time basis until they reach statutory school age, or that the date that their child is admitted is deferred until later in the academic year, or until the term in which the child reaches compulsory school age. If your child's entry is deferred, the school will hold your child's place and not offer it to another child. The latest your child can start school is at the beginning of the summer term 2019. Once you have been offered a place at the school, if you wish to defer your child's entry, please contact the school to arrange a meeting with the Head Teacher.

16. Admission outside of the child's normal age group

If you would like to request for your child to be educated outside of their normal age group, you must still make an application for a school place by the closing date of 15 January 2018. Please refer to page 4 of the Admission to Richmond Primary Schools 2018, which will explain the process.

17. The School may withdraw an offer of a place where it has been offered in error, or where a parent has not responded within a reasonable period of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application.

18. The school may withdraw a place once the child has started at the school where that place was fraudulently obtained, taking into account the length of time the child has been at the school.

19. The Local Authority will maintain a waiting list; places on the waiting list will be offered if and when offers to applicants are not accepted. The order of those waiting list offers will follow the published oversubscription criteria outlined above and each added child will require the list to be ranked again. Parents can keep places on the waiting list for as long as they wish. The Local Authority will periodically write to parents asking them whether they wish to hold a place on the waiting list.

To be agreed by FGB: February 2018
